

KonnectNXT

- Generative AI-powered SaaS Platform to Optimize Talent Databases...

Have you ever heard of a Profile built to make Recruiters' lives easier???

Problem

- Candidates and Recruiters don't understand each other
- Resumes
- Monopolistic Database Player

KonnectNXT

• JOB SEEKERS & RECRUITERS

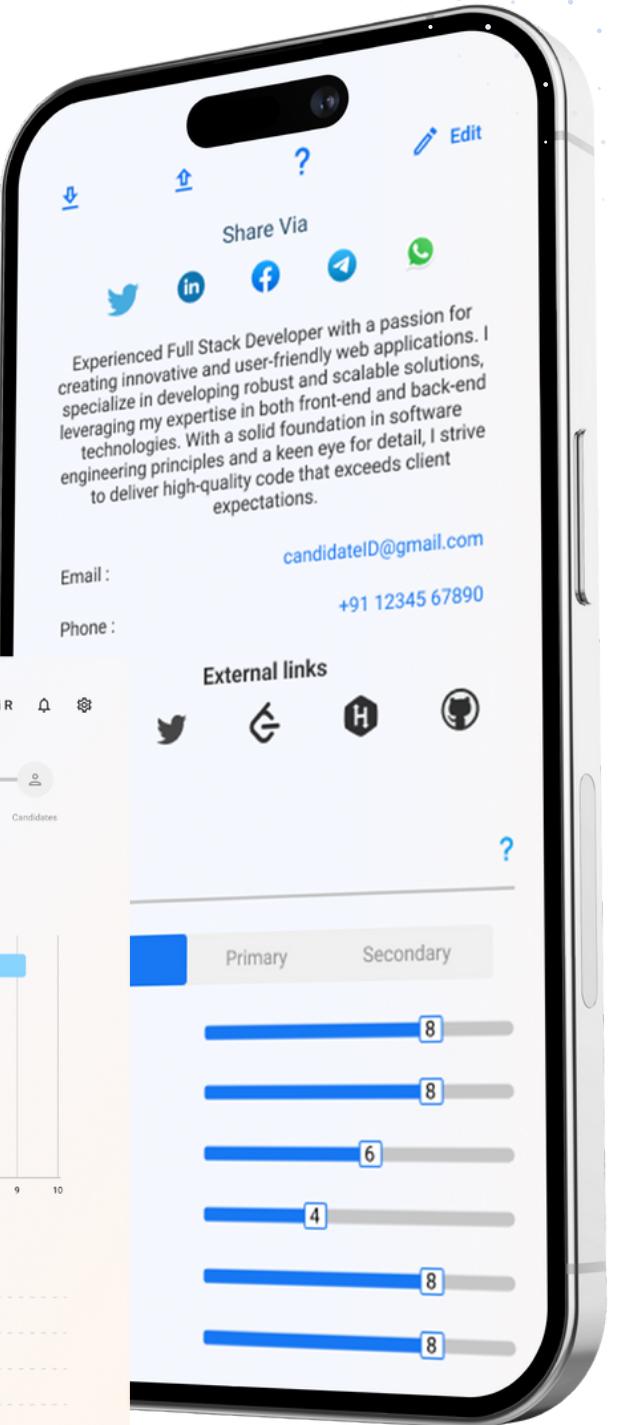

KonnectNXT Profile builder

The screenshot displays the KonnectNXT Profile builder interface. At the top, there's a header with the user's name, Abhijit Sharma, and a blue checkmark icon. Below the header, the profile section shows a photo of a man wearing sunglasses and a black t-shirt. The profile summary includes the title 'Full Stack Developer' and the company 'BNB Ltd'. It also lists the location as 'Pune' and provides contact information: Email (abhijit.s@gmail.com), Phone (+91 12345 67890), and Date of Birth (22/05/1997). A 'Share Via' button is available for social media sharing.

The skills section shows proficiency levels for various technologies: CSS (Primary: 8, Secondary: 8), GIT (Primary: 8, Secondary: 8), RUBY (Primary: 6, Secondary: 6), and PHP (Primary: 4, Secondary: 4). A bar chart visualizes these skill levels across a scale from 5 to 10.

The LinkedIn Overview section displays the user's LinkedIn profile, which includes a summary, skills, endorsements, and recent experience. The summary highlights the user as an experienced Full Stack Developer with a passion for creating innovative and user-friendly web applications. The skills listed include Next.js, Python, Firebase, and others.

The Most Recent Experience section shows three job roles: BNB Ltd (Full Stack Developer, Hyderabad, Telangana, India), AD (Web Dev, Hyderabad, Telangana, India), and DAS Technologies (Backend Dev, Hyderabad, Telangana, India).
